Re: Celebrate Wisconsin Museums Week, May 10—18

Green Bay, WI—Join in the celebration of Wisconsin Museums Week at the Neville Public Museum from May 10—18. This year's theme is "museums as agents for social change and development." The purpose of this state-wide celebration is to increase public awareness of the contributions that museums, historical societies, and related institutions make in their communities and is held in observation of International Museum Day on May 18.

The Neville has special activities planned during the week. Throughout the week a cheese box filled with items from the Gift Shop will be placed on the Reception Desk and visitors may enter a drawing to win the box. Also, on International Museum Day, May 18 (Sunday), the museum will offer free admission to veterans and their families.

For more information, contact the Neville Public Museum at (920) 448-4460 or visit www.nevillepublicmuseum.org.
