OF BROWN COUNTY

Bridging Communities • Connecting Generations

FOR IMMEDIATE RELEASE:

SPARK! Programming Coming to the Neville!

Green Bay, WI—November 27, 2017—Coming to the Neville in 2018 is the SPARK! program series!

SPARK! is a cultural program for people with early to mid-stage memory loss and their care partners. Programs are designed to keep participants actively engaged in their communities by providing experiences that stimulate conversations, provide peer support, and inspire creativity through engaging in museum experiences.

Programs last between 60 and 90 minutes and include light refreshments and time to socialize, an in-gallery experience with specially-trained staff, and various hands-on experiences and projects depending on the exhibit we're exploring. Participants are welcome to visit the rest of the museum after the program.

SPARK! programs at the Neville Public Museum occur the third Tuesday of each month at 10:00 a.m. and are FREE for families to attend together in a comfortable environment. Space is limited and pre-registration is required. Each month a different exhibit will be highlighted; see our website for more information.
