

NEVILLE PUBLIC MUSEUM

OF BROWN COUNTY

Bridging Communities • Connecting Generations

FOR IMMEDIATE RELEASE: *Light: The Science of Illumination* Opens Saturday!

Green Bay, WI---September 6, 2022--- As part of the Neville Public Museum's internally created *Spectacular Science* exhibition ***Light: The Science of Illumination*** explores the science and physics behind light. Visitors will interact with experiments that demonstrate exciting concepts from reflection and refraction to how light impacts color.

Light also features over thirty-five historic artifacts from the museum collection that demonstrate what people used before the invention of modern lighting.

Come discover the wonders of light!

You can find more information on the museum's website:
