

NEVILLE PUBLIC MUSEUM
OF BROWN COUNTY
BRIDGING COMMUNITIES, CONNECTING GENERATIONS

FOR IMMEDIATE RELEASE: *Why Do Museums Matter?* Neville Public Museum Survey

Green Bay, WI---January 12, 2022---We at Neville Public Museum care deeply about making the history, science, and art we share with you, our community, and visitors, meaningful.

But we need your help. To learn more about how visitors like you engage with us, we are participating for a third year in a national survey of museum-goers, sponsored by the American Alliance of Museums. This survey will provide us with data to help us more effectively share our work with the communities we serve.

Will you please help us by sharing your thoughts about how the Neville Public Museum and museums broadly, engage you? The survey takes about 9 minutes to complete.

Simply go to [Neville Public Museum Survey](#) to get started.

Note: all responses to this survey will be kept confidential. Your response will not be used for any future solicitation. If you have any problems with the survey itself, please contact the survey administrator, Susie Wilkening, at susie@wilkeningconsulting.com.

Thank you in advance for your time and thoughts!
