

FOR IMMEDIATE RELEASE:

Geology Rocks at the Neville Public Museum!

Green Bay, WI—January 17, 2012—*Geology Rocks! Celebrating 50 Years of the Neville Public Museum Geology Club* slides into the Neville from January 28 through May 20, 2012. This exhibit has it all: fossils, gems, jewelry, killer asteroids, volcanoes, earthquakes, minerals, lapidary, crystals, bedrock, mining, collecting, exhibit graphics, hands-on interactives... and, of course, lots of fascinating rocks! In relation to this exhibit, a Rock, Gem and Mineral Show will take place on April 14th and 15th.

Editorial expansion of story available upon request.
