Wisconsin Public Service Featured in *MuseumPLACE: A Celebration of Community*

Green Bay, WI---July 1, 2013---Wisconsin Public Service is featured in *MuseumPLACE: A Celebration of Community* at your Neville Public Museum.

Featuring historic photos highlighting the history of Wisconsin Public Service, this Community Square display gives visitors a glimpse into how the business of electricity and natural gas has changed over the last 125 years.

The Neville Public Museum, in conjunction with the WPS History team of retired WPS employees that manage the WPS historical collection, created this display showcasing how the history of Wisconsin Public Service is intertwined with the history of Northeastern Wisconsin.

Editorial expansion of story available upon request.
